Please join us for a discussion on living options for children and adults with developmental disabilities.

Learn what services and supports are available for children living at home.

Start planning for your child's future by learning about living options for adults.

## For children:

- Services and supports for children living at home
- Out-of-home placements for children

## For adults:

- Services and supports for adults residing in the family home
- Supported and independent living services
- Adult family home agency model
- Group home placement options and community living placement options
